Your Partner in Contract Manufacturing

Delivering Quality, Innovation, and Results

BNS
BOSTON NUTRACEUTICAL SCIENCE

With over 60 years of expertise and 5 state-of-the-art facilities, Boston Nutraceuticals (BNS) is a trusted leader in private label and contract manufacturing. We specialize in creating high-quality, customizable products tailored to meet the unique needs of health and wellness brands.

What We Offer

- **Turnkey Solutions:** From concept development to production, we partner with you at every step to deliver exceptional results.
- **Custom Formulations:** Innovative and unique solutions designed to fit your brand's requirements.
- **Scalable Production:** Our flexible and scalable production model supports high-volume core product lines with flexibility and efficiency.

Our Standards: Quality You Can Trust

At Boston Nutraceuticals, we are committed to the highest industry standards for safety, consistency, and excellence.

- **GMP-Certified Facilities:** Stringent Good Manufacturing Practices across all production lines.
- **Regulatory Compliance:** FDA-compliant manufacturing processes and strict quality control.
- **Premium Ingredients:** Sourced responsibly to ensure purity, safety, and efficacy.

Our Product Offerings

- **Gummy Supplements:** Customizable shapes, flavors, and formulations (vitamins, minerals, functional gummies).
- **Better-For-You Candy:** Delicious, clean-label treats that align with today's consumer demands.
- **OTC Cough Drops:** Effective solutions for over-the-counter wellness needs.
- **Infused and Functional Products:** Tailored formulations to support sports nutrition, immune health, and overall wellness.

Why Partner with Boston Nutraceuticals?
